General information

At the end of each month, student accommodations are being distributed to members of V-Dala nation. The vacant rooms and apartments are distributed according to the current queue list. To sign a lease we ask that you are present in person or that you send an authorised representative. The list of available rooms/apartments is put up at V-Dala nation and at www.v-dala.se a few days before the distribution day. When signing a lease you must be able to confirm the information you have stated in your application. Therefore be sure to control that the points you have been given in the list are correct. Note that this is your responsibility. The lists are updated the Friday before each distribution.
